

USING LESS
STUFF

Aims of Using Less

- Save money to spend in other areas
- Less Waste
- Help the environment
- Create teamwork throughout the school
- Education for social responsibility

Benefits of Using Less

- Money can be redirected to improve your school
- Positive PR for the school
- Educational projects

How will the Using Less Committee benefit you?

- School
- CV
- University
- Peace of mind

The Incentives

- The Eco Cup
- Speech Day Prize
- Commendations
- Whole School reward

The Using Less Stuff Pathway

The Role of the Eco Committee

- Promote awareness
- Promote participation
- Implement Using Less
- Demonstrate progress

How to start Using Less

- Where are we now?
- Where are we going?
- Rewards when we get there
- Commit to “my bit”
- Posters around the school

Setting targets

- Once we know what we use, we are able to set targets
- How will success be measured?
- Targets will be reviewed at the beginning of each term

The Using Less Stuff Website

- Information available, new ideas regularly.
- Forms and certificates to download
- Premium membership for more documents
- Blog

Presenting to the school

- Recruitment: Get everybody involved by committing to do their “bit”
- Explain why the school is going on this journey and tell them about the incentives and rewards on offer
- Talk about the Eco Cup
- Explain how people can Use Less in their houses or departments
